Hi all,

Mike had a few comments on the FRN package. Please work with CRMs to resolve these by noon if possible. Let me know if you have issues meeting that deadline. Please edit in track changes, and respond to his comments in comment bubbles. I will save a track changes and clean version so he can see our responses. Also, please send me an email/message when the edits for your branch are complete & approved thru the BC. This needs to go across the river this afternoon.

Thanks,
Marianne
